

WHEN YOUR HEALTH INSURANCE WORKS FOR YOU

Generali Company Care Health Insurance

Generali Company Care Health Insurance can be an ideal fringe benefit to facilitate employee engagement and business efficiency while also making your company increasingly appealing to job seekers. We recognize the growing importance of health and wellbeing on the corporate agenda and know that reaching business goals is a lot easier when you and your team are fit and healthy.

HEALTH CHECKUP + HEALTHCARE SERVICES + FIXED SUM COVERAGE

HOW CAN COMPANY OWNERS BENEFIT FROM GENERALI COMPANY CARE HEALTH INSURANCE?

- recruitment is easier because the workplace becomes more attractive to job seekers
- it allows you to build a sustainable business where employees are truly valued, thus it **improves loyalty** and the sense of recognition
- employees can get fast treatment in the event of illness, so the company may **reduce related business costs**, such as sick pay or the costs of substituting lost labor
- a regular full medical checkup can help find medical problems sooner, so you can rely upon **a fitter and healthier team**
- with six different health insurance plans, you can **offer differentiated benefits** to select employees
- you can offer insurance protection to all your employees or to a selected group only

The protection of your employees' health is just as important as the protection of your assets.

HOW CAN EMPLOYEES BENEFIT FROM GENERALI COMPANY CARE HEALTH INSURANCE?

- a wide range of medical specialist services, laboratory and diagnostic tests (CT, MR, etc.) are available depending on the selected benefit plan e.g. same-day surgery, ambulatory surgery, physiotherapy or oncology diagnostics can be accessed by insured employees
- **online appointment request or booking**
- in the event of medical problems, they will have access to fast treatment of the highest standards, with **reduced sickness absence** and **reduced lost income**
- **full medical checkups** may be scheduled regularly to prevent the development of serious illness
- in the event of accidents or serious illness even **cash benefits** may be received
- no waiting lists or waiting time on site
- 24 hour medical consultation
- medical assistance and care throughout geographical Europe

Doing your best at work and at life is easier when you're healthy.
